

REMARKS

In response to the restriction mailed December 6, 2005, Applicant elects to prosecute the invention of Group II, drawn to claims 14-22. Claims 1-13 have been canceled and claims 21 and 22 have been withdrawn pursuant to the restriction. Applicant further elects the species of adhesive and the species of claims 15, 18 and 19 pointed out by the Examiner. Claims 23-26 have been added. It is believed that this represents a full response to the Examiner's restriction and election of species requirement. Applicants respectfully request early and favorable examination on the merits.

Applicant does not believe that any fees are due in connection with this response. However, if such petition is due or any fees are necessary, the Commissioner may consider this to be a request for such and charge any necessary fees to deposit account 23-3000.

Respectfully submitted,

WOOD, HERRON & EVANS, L.L.P.
